

# Toyota Prius Bluetooth

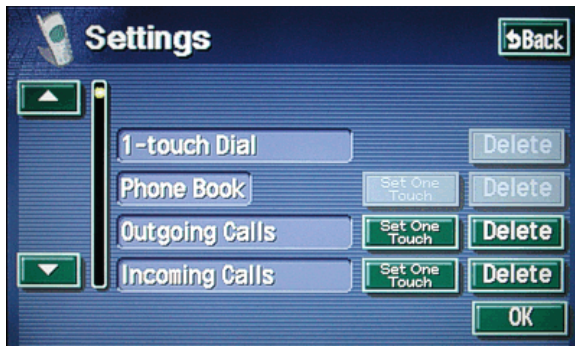

Phonebook Transfer for: **Sony Ericsson T610**

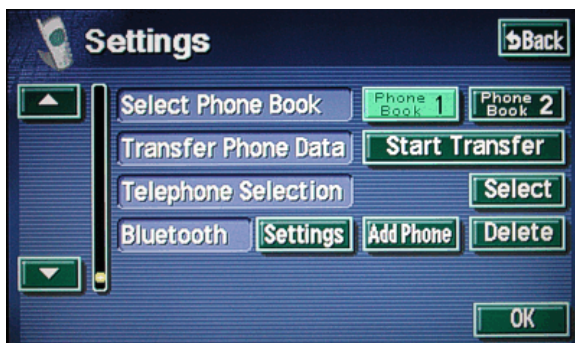

To transfer (copy) the "Call Contact" list in the phone to the "Phone Book" in the Prius, do the following steps:

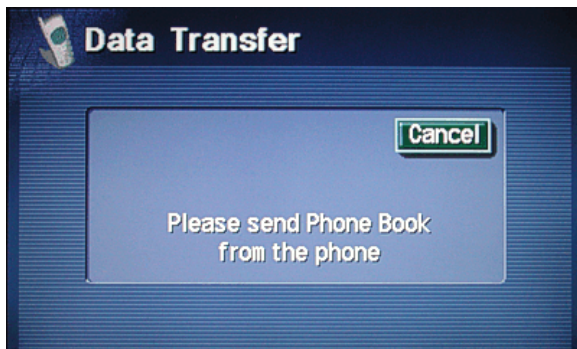

Press "Settings"

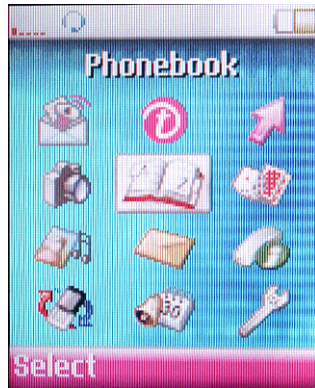

Press the arrow on the left to scroll down.

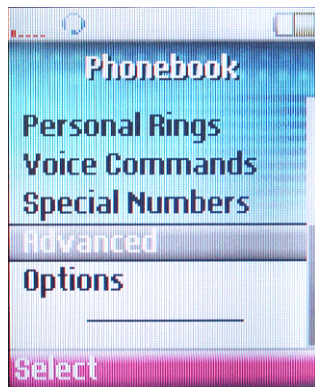

Press "Start Transfer"

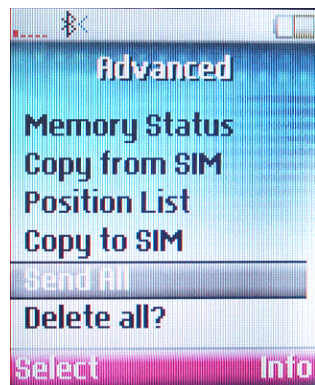

This message should automatically appear.

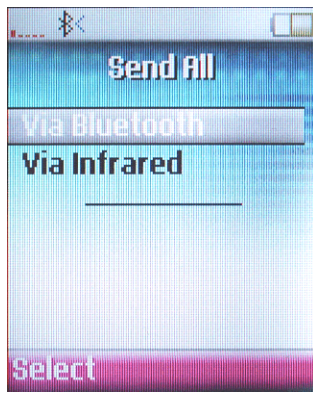

Select "Phonebook"

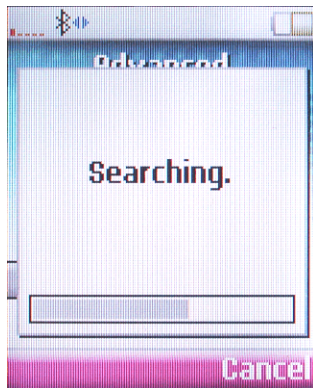

Select "Advanced"

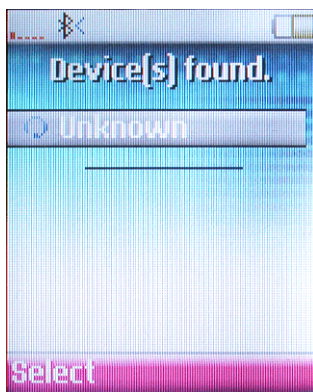

Select "Send All"

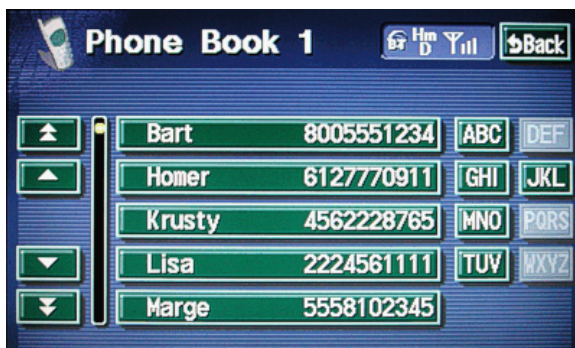

Select "Via Bluetooth"

Searching for the Prius system will occur.

Select "Unknown"

When the transfer process is complete, the "Phone Book" on the Prius should show the same list as on the phone.
